

**Pompanette**

**Defining Excellence Since 1948**

**For more than a half century,** Pompanette has been producing products which “fit” the grandeur of the boat builders’ vision. We continuously work hand-in-hand with every boat builder and boat owner to ensure that our designs meet their expectations and respond to their needs. This kind of working relationship has resulted in our extensive line of product offerings that run from traditional to cutting edge in appearance.

Pompanette would like to take this time to thank you for your loyal support over the last 70 years. Because of your continued support we have earned the reputation as a supplier of world class sportfishing equipment and yacht accessories. Your loyalty to our products confirms the reliability that the name Pompanette has come to stand for. Working together we will continue to develop the most advanced products available in the market.

For more information on Pompanette please call or stop by one of our showrooms, located in Fort Lauderdale, Florida and Newport Beach, California. While there you might see some new faces, but you will recognize the same great sales support and customer service we are known for.

# Elite Series

*“In a Class by Itself.”*

\*CAD and Spec Drawings available

#### "Built to Last"

All our fighting chairs and ladder back helm  
chairs are manufactured using through bolt  
construction for superior strength and longevity.  
Easy on and easy off hardware insures years of  
performance even after seasonal refinishes. No  
wood screws taken in and out to insure the  
integrity of the seat base for years to come.

## Defining Excellence Since 1948

At **Pompanette**, we are committed to  
**building a better product.** For over 70 years we  
have continued to develop the most advanced products  
available in the industry. Our skilled craftsmen are  
meticulous in their work to ensure that every product we  
manufacture is finished to perfection. Our manufacturing  
processes and inspection programs are designed to guarantee  
that each product bearing the Pompanette name exhibits the  
integrity that these brands are known for. It is our  
commitment to you, the end user, that we will continue to  
bring you outstanding product and equipment with  
exceptional sincerity, style and most of all value. **Our goal**  
**is to exceed your expectations and respond to your needs.**  
We welcome you to our family.

**Our Tournament Series** line is the perfect low maintenance fighting chair. The core components are constructed from injection molded, engineering grade resin then gel coated white and topped with a high gloss UV stable urethane.
